Dear Ms. Keifer:

The City of Pasadena was pleased to serve as host to the 2004 tour of The Buddha Prince production in our Lower Arroyo Park. This natural preserve and rustic-type setting lent itself perfectly to an open-air performance such as The Buddha Prince.

In particular, I would also like to express what a pleasure it was working with you and your production team. Through our coordinating and on-site meetings, The Buddha Prince team proved willing to meet City requirements, codes, and standards for producing special events within our parks. Your cooperative and enthusiastic approach to producing The Buddha Prince was appreciated by City Staff.

Furthermore, your event generated rave reviews from some of the general recreational users of the Lower Arroyo. Both the content and the set decorations were well-received by local residents.

I wish you the best of luck in your 2005 Buddha Prince tour and hope to see your production company return to Pasadena soon!

Sincerely,

Michelle Bernal
