**Letter of Support**

We are delighted to learn that TigerLion Arts (TLA) is partnering with Tibetan artist Tenzin Ngawang and the Tibetan American Foundation of Minnesota (TAFM) to develop and restage *The Buddha Prince*, an original production that celebrates the extraordinary life and legacy of His Holiness the 14th Dalai Lama.

The Office of Tibet would like to express our deep appreciation to TLA's Executive Artistic Director Markell Keifer and the team for their noble pursuit of promoting His Holiness the Dalai Lama's message of oneness of humanity and compassionate living. As His Holiness constantly reminds us that developing inner values and warm heartedness is key to prevent this century turning into another century of manmade violence and human suffering, we strongly believe that this project will immensely contribute towards creating positive energy and motivating people to make this world a better and more peaceful place.

We encourage all to help TLA in this noble endeavor.

Sincerely,

Namgyal Choedup  
Representative of His Holiness the Dalai Lama and  
Central Tibetan Administration to North America
