TO WHOM IT MAY CONCERN

Ms. Markell Kiefer is planning a tour of several American cities and towns with her production, *The Buddha Prince*. It is a play about His Holiness the Dalai Lama's life and his message for the need to cultivate basic human values to make our world a more caring, compassionate, tolerant and peaceful family of human beings, nature and other living beings.

Ms. Keifer's motivation for producing this play is to promote peace and to heal and harmonize the human community. She believes that the teachings of His Holiness the Dalai Lama have a potential to change the hearts and minds of humanity "in a direction that will benefit the unfolding of world history".

Deeply appreciative, as we are, of her motivation, we appeal to all lovers of peace and humanity to support her noble endeavor.

Thank you.

Nawang Rabgyal
Representative of His Holiness the Dalai Lama
